Dear Friend,

Over the past three years we have seen the world's financial markets go through a period of unprecedented crisis. One of the many results of this is that people are extremely cautious before they invest their money in a business venture. People need to be presented with a "real deal" before they will invest in a new business project.

I am writing to you today to offer you what is truly the business deal of a lifetime. It does not require a large investment of capital but the proceeds and profits of this deal are truly spectacular.

In order to make you even more relaxed we even have a guaranteed profit on your investment – guaranteed by Hashem. Chazal teach us that **אלו דברים שאדם אוכל פרותיהן בעולם הזה והקרן קיימת לו לעולם הבא**. To invest in our portfolio is a guarantee of zechusim in both this world and the world to come.

Your donation of \$18 per month is invested in the following portfolio of mitzvos:

- Serving 700 hot meals a day to children, orphans and elderly Jews
- Teaching and learning about Torah & Mitzvos to hundreds of Jewish adults and children
- Treating the sick – emergency medical care and evacuation
- Taharas Hamishpocho seminars, kosher mikva, hachnosas Kalla fund
- Bris Milos for children and adults
- Providing chevra kadisha services to Jews from around Belarus.
- Emergency financial aid to poor and impoverished families around the country

Hashem promises that - **אם אתה משמח את שלי אני משמח את שלך** – if you will make my children happy, I will make your children happy. The work which Yad Yisroel is doing in Belarus is directly helping the children of the **הקב"ה** who were left in Belarus after the Holocaust and who suffered through years of fascism and communism. There is no greater mitzvah and business investment than this.

Please do not lose the opportunity to become a partner with Yad Yisroel for only 60 cents a day! Sign up your friends!
